of Education

EXPERIENCE. LEARN. SUCCEED.

We are committed to you!

Chinook Learning Services, Continuing Education takes pride in providing relevant lifelong learning opportunities! We offer a wide range of courses and programs for individuals and organizations seeking professional development and personal enrichment. Our range of non-credit programming focuses on building the practical skills and knowledge necessary for success in today's workplace. Whether you are working at the office or remotely, in an administrative role or middle management, Chinook has training that fits your unique needs.

Combined with our instructors' extensive knowledge and practical experience, we collectively enhance your career development and self-improvement journey.

As part of the Calgary Board of Education, our longevity in Calgary's learning community is unmatched. Our promise for 2023-24 is to continue to provide high-quality educational opportunities that empower people to invest in themselves.

Ken Weipert
Education Director Area 5
Calgary Board of Education

Microsoft Office Specialist (MOS) Exams

Stand out and get noticed! Certification gives you the tools to build a brighter future.

Today's employer seeks individuals who demonstrate a high proficiency in Microsoft Office program functionality. The MOS guarantees that every certified individual has demonstrated the ability to operate the full features competently. This gives you a commanding competitive edge in today's professional environments.

Pathway

- LEARN** - Take a Microsoft Office course through Chinook Learning Services
- PRACTICE** – Take advantage of the Gmetrix practice tests to ensure your success
- CERTIFY** – Take a test and earn your digital badging

Preparing our students for certification is a big responsibility. Through Chinook Learning Services' full pathway solution, you can prepare yourself for the MOS certification with targeted learning materials, practice tests, and a performance-based certification exam officially endorsed by Microsoft and recognized by employers worldwide.

MOS Exams

Exam Aspects:

- Microsoft Office 2019/Office 365
- Number of questions: Between 25 and 46 (depending on exam)
- Question types: Project-based testing
- Duration: Each exam is 50 minutes

Available Exams:

- Excel Associate – Reveal trends and gain insights with powerful analysis tools
- Outlook Associate – Facilitate the flow of connectivity with email and calendar tools
- PowerPoint Associate – Enhance your ability to communicate with your audience
- Word Associate – Transform ideas into professional documents
- Access Expert – Track and report assets and information
- Excel Expert – Expand your Excel proficiency by unlocking Excel's full power
- Word Expert – Cultivate your Word skills, and go deeper into the program's capabilities

Certification Makes a Resume Stand Out!

No matter which career path you are pursuing Microsoft Office proficiency is a valuable skill. In fact, Microsoft Office was the leading software package called out within the top 20 skills across representative occupations in seven countries, coming in at number 3 on the IDC research list. Stand out in a crowd of applicants and get on a path to a brighter future with Microsoft Office Specialist certification.

Source: IDC, Keys to the Future: Worldwide Readiness Skills to Ensure Student Success, May 2016

Digital Badging

Participants can digitally broadcast their accomplishments with MOS online badges. These online badges contain verifiable data that tells employers what you completed and why it matters. In other words, digital badges give instant credibility.
