

Dear Applicant,

Thank you for your interest in teaching in our ESL Services. Please read the following information regarding our program.

Our aim is to create a student-centered learning environment that is both flexible and supportive of adult students' educational needs and the achievement of their individual goals.

ESL Services offers courses for adult students. It is sometimes difficult to know where and when teachers will be required; therefore, teaching assignments are offered only on a term-to-term basis. Permanent full-time employment is not available.

Requirements for teaching are:

- A Bachelor's Degree with a major in English language teaching or second language teaching and/or
- A Bachelor's Degree and a diploma, certificate or Master's degree including English language leaning pedagogy or second language learning pedagogy
- A minimum of 2 years of English language teaching experience with adult learners

If you meet the basic requirements, please send your resume to me by mail, e-mail or fax (see below). Policy 2027.4 requires that applicants WHO ARE OFFERED EMPLOYMENT provide a security clearance. The cost of the security clearance will be at the applicant's expense.

All applications will be thoroughly reviewed; however, we are able to respond only to those selected for interviews. I sincerely thank all others for their interest.
