RE: **Summer School 2010 Classroom Instruction**

Thursday, July 1 – Friday, July 30, 2010

The planning for Summer School 2010 is well under way and it's time to begin the staffing component of the program. The calendar for Summer School has been posted on www.chinooklearningservices.com. We are beginning to staff for summer. Would you consider teaching a class in July? The attached Teaching Request form outlines the dates, times and locations for summer courses.

There will be no change in the venues for Summer School 2010. Lester B. Pearson High School, Viscount Bennett Centre, Sir Winston Churchill High School and Centennial High School will be the four main sites for summer courses. We are starting on Canada Day, July 1. We require teachers to be in the classroom for all 22 classes.

Please communicate your interest in teaching this summer by completing the attached form and returning it to H el ene Couture (fax 777-7889) by **Friday, May 7, 2010**

Note:

- Classes are offered in all Academic Core subjects (English, Social, Math and Science).
- Options are offered in Art, CALM, CTS and Physical Education.
- All classes offer 80 hours of instruction over 22 sessions.
- Your flexibility for time and location improves your opportunity for teaching Summer School. Please indicate all your priorities and we will accommodate placements as we can.
- There will be orientations held at all sites as well. The orientations will be held in early June.
